The FAOE has been meeting every year in Ghana and Nigeria at the annual conferences of the engineering organizations of the two countries.

NSE and GhIE (Ghana institute of engineers), in line with this cooperation, has signed an MOU which highlights the implementation of the following:

- o Development of uniform standards and building codes. Sub-regionally and subsequently, continentally.
- o FAOE fosters partnership with ECOWAS, AU & NEPAD.
- o Strategic re-engineering of sub regional groups.
- o Establishment of committees in line with what is obtained in WFEO. Various countries will be opportune to chair the committees.
